COMPANY EVOLUTION

SHARDA AFRICA - A bright future ahead.

The SHARDA Africa team is working closely with dedicated trial consultants all over South Africa on an ambitious registration strategy. There are currently more than 60 active ingredients and combinations in the developmental and registration phase in Sharda's registration and developmental programme. These new developments will put Sharda in a position to offer unique combinations together with successful traditional products for our business partners in South Africa.

We keep our business partners informed about changing world trends as to their specific needs and requirements, adding direct value to their business.

"A BRIGHT FUTURE FOR SHARDA – A BRIGHT FUTURE FOR OUR CUSTOMERS"

Becoming the premier, post patent agricultural chemicals supplier through disciplined marketing focused on channel profitability.

SHARDA AFRICA - PRODUCT LIST

FERTILIZERS

Fertisun Blue	K10472
Fertisun Green	K10603
Fertisun Red	K10473
Fertisun White	K10604

FUNGICIDES

Azoxystrobin Segar	L8593
Azoxystrobin 50% WG	L10486
Azoxystrobin 200 Cyproconazole 80 SC	L10305
Azoxystrobin 20%+ Difenoconazole 12.5% SC	L10830
Captan 800 WG	L9345
Chlorothanil 720 SC	L10677
Iprodione + Carbendazim	L10678
Difenoconazole (dicati)	L8414
Dimethomorph Folpet WG	L10362
Folpet 800 WG	L10465
Myclobutanil 125 EC	L10498
Propiconazole 250 EC	L10487
Picoxystrobin 25% EC	L11074
Pyraclostrobin 4% + Folpet 40% SC	L11084
Tebuconazole 250 EC	L8413
Boscalid 252 + Pyraclostrobin 128 WDG	L11353
Cyproconazole 100 SL	L11355

INSECTICIDES

Abamectin 18 g/l EC	L10794
Acetamiprid 200 SP	L9348
Alpha-Cyber 150 WG	L10603
Bifenthrin 100 EC	L9125
Buprofezine 50% WDG	L11224
Carbosulfan 400 SC	L8954
Carbofuran 100 g/kg GR	L11075
Sharda Diflubenzuron 250 WP	L9413
Diflubenzuron 480 SC	L9486
Dazomet 98 GR	L11312
Fipronil 200 SC	L9114
Fenbutatin oxide 550 SC	L10863
Imidacloprid 350 SC	L8442
Imidacloprid 700 WS	L8446
Lambda-cyhalothrin 50 EC	L10258
Lufenuron 50 EC	L10491
Methomyl 900 SP	L10838
Spirodiclofen 240 EC	L10492
Pyriproxifen Fredo	L8568
Thiamethoxam 25% WG	L10334
Terbufos 150 GR	L11310

PGR

Ethephon 480 SL	L10516
NAA 45	L10825

HERBICIDES

24 D Amine 480 SL	L11162
Sharmin 720 SL	L9672
Acetochlor 900 EC	L9660
Ametryn 500 SC	L9967
Atrazine and Terbutylazine 600 SC	L10890
Bendioxide 480 SL	L9564
Bromacil 80 g/kg+ Tebutylacin 120 g/kg GR	L11034
Chlorimuron 10.7% +Metribuzin 64.3% wdg	L10882
Diquat 200 SL	L8359
Diuron 800 SC	L9619
Dicamba, MCPA and 2,4-D	L10872
Fluent 125 EC	L9676
Fluent 150EC	L9902
Flufenacet 500 SC	L9894
Florasulam 50 SC	L10679
